

Access to Services

AS 400 Internet Access Policy

Adopted: 2/98, Revised: 6/01, 5/05, 1/17

The Metropolitan Library Commission and/or the Library System assume no responsibility for use of the Internet by library members of any age. Internet users must agree to abide by all library policies and procedures.

The Library filters public internet access in compliance with all state and federal laws, including the Children's Internet Protection Act (CIPA), Pub. L. No. 106-554. The Library filters internet access to visual depictions of nudity, pornography, and sexual materials on all Library computers and WiFi. The Library also restricts minors' access to websites with chat and instant messaging functions.

Library may disable internet filters for bona fide research or other lawful purposes.

The Metropolitan Library Commission authorizes the executive director to establish procedures to administer this policy.
