

Staff Development Day 2021 Program Scheduling

To help with proper social distancing and comply with our venue (Embassy Suites Northwest), Executive Director Larry White did a random drawing of locations and departments to determine who would attend the AM and PM session.

- Full time staff will be required to attend their designated session with their unit.
- Part time staff will be able to choose the AM or PM based on their schedule/availability.

Should you arrive at a session you are not scheduled to attend, you will be turned away and asked to attend at your designated time with your unit.
