

Downtown Collection Scavenger Hunt

Exploring the first and second floors of the library to walk through the collection should take you about an hour to complete. The purpose of walking through the collection is for you to spend time learning the collection before we start shelving training. If you cannot find the answer to these questions, feel free to ask a fellow staff member for assistance.

Take note of the spine labels including any genre or stickers. When you look at these spine labels and/or stickers, what do you notice about the collection you are in?
