A screenshot of the 'Find a VSP Eye Doctor Near...' search page. The browser address bar shows 'https://vsp.com/find-eye-doctors.html?ids=guest'. The page has the same navigation bar as the homepage. Below the navigation bar, there are three search tabs: 'Search by Location', 'Search by Doctor Name', and 'Search by Office Name'. The 'Search by Location' tab is active. The search form includes fields for 'ZIP Code', 'Address', 'City', and 'State', with a 'Show Results Within' dropdown set to '25 miles'. Below these are dropdowns for 'Doctor Network' (set to 'Choice'), 'Preferred Language' (set to 'English'), and 'Frame Brand' (set to 'Select Frame Brand'). A green 'SEARCH' button is to the right of these dropdowns. Below the search form, there are two columns of checkboxes for 'Services' and 'Products'. The 'Services' column includes options like 'New Patients Welcome', 'Eye Exam', 'Advanced Eye Exam', 'Extended Hours', 'Express Eyewear', 'Laser Vision Care', 'Vision Therapy', 'Children Ages 0-3', 'Children Ages 3-5', 'Preventative Eye Care', 'Special Offers & Savings', and 'CareCredit Credit Card'. The 'Products' column includes options like 'Glasses', 'Featured Frame Brands', 'UNITY® Lenses', 'Contact Lenses', 'Hard-to-Fit Contacts', 'Otis & Piper™ Eyewear', 'SafetyProTec Eyewear', 'Sports Eyewear', 'Low Vision', and 'Google Glass Lenses'. At the bottom, there is a disclaimer about eligibility and coverage, and a note about emergency services.
