

QuestSelect™ Advanced lab benefit

Control the cost of your healthcare

QuestSelect™ Advanced is a value-added health benefit that can help save you money on outpatient laboratory testing. When you show your healthcare provider your QuestSelect card to obtain outpatient testing, there is no cost to you—testing will be covered by your employer or medical plan. There are no copays, no deductibles, and no coinsurance.*

For a current listing of collection sites visit QuestSelect.com. On the website you can also:

- Print a QuestSelect card
- Read instructions on how to use your QuestSelect benefit
- Find resources you can share with your healthcare provider

To receive the benefits of the QuestSelect Advanced program, you must present your QuestSelect card or healthcare ID card with the QuestSelect logo on it at the time of each service, and request your provider send your laboratory testing order to Quest Diagnostics.

The QuestSelect laboratory benefit covers routine outpatient testing. It does NOT cover:

- Testing ordered during hospitalization
- Lab work needed on an emergency or (STAT) basis
- Testing done at another laboratory
- Time-sensitive esoteric testing such as fertility testing, bone marrow studies and spinal fluid tests

The QuestSelect program is completely voluntary and provides you with 100% coverage for your covered outpatient laboratory testing. If you and/or your healthcare provider choose to send testing to any laboratory other than Quest Diagnostics, the QuestSelect benefit will not apply.

Saving with QuestSelect™ is simple

1. At your appointment, show your QuestSelect card and ask for your lab work to be sent to Quest.
2. If the office doesn't use Quest for testing, you can ask your provider to call the QuestSelect Lab Line to request a pickup. Or you can ask your provider for a written order to have your lab work collected at an approved Quest Patient Service Center (PSC) location.
3. The sample is collected at the healthcare provider's office or PSC and is sent to Quest Diagnostics for processing.
4. Testing is completed by Quest and results are sent to your provider. You can also access your results through MyQuest™ online.
