- If you are not using the form's automatic calculations on page 2 and 3, documentation should be attached (e.g. MapQuest printout, copy of your mileage log book).
- **Commuting mileage is not reimbursable** and may not be included as business miles according to the Internal Revenue Service. Customize page 4 to list your normal commute, and set mileage from home to other library locations. The form will automatically subtract your normal commute when claiming on page 2.
- Situations involving trips to the workplace after hours or beyond your normal working hours require supervisor's approval.
- Submit reimbursement forms no more than once a quarter. Forms should be received in the Business Office by the end of the following month.
- The current mileage rate is 53.5¢, effective January 1, 2017.

SIGNATURE:

By signing this form I confirm and verify the mileage recorded is a true and accurate record of the business miles taken. I have attached the appropriate documentation needed to verify mileage. I understand my mileage reimbursement will only take place after I submit the appropriate documentation.

SUPERVISOR'S SIGNATURE:

I understand by signing this form I have verified the mileage and/or odometer report and all of the supporting documents. I verify the appropriate documentation has been attached by the employee.

MILEAGE REIMBURSEMENT REQUEST

CUSTOMIZE YOUR MILEAGE Save form to complete only once.

- 1. Please turn off your MLSFilter and visit Mapquest.com or click on any of the links below to get directions.
- 2. Route your home address to your most visited library locations and document the mileage below.
- 3. Route your **User Defined Locations** below to add frequent stops not defined. These locations are defined by you. They can be anywhere you frequently visit such as a library location to a vendor or from your home to the airport. Add the starting and destination locations, address, and the distance.
- 4. Review your mileage distances, print the webpage results, and document exact mileage below.
- 5. For mileage to/from your Home claim these customized mileage distances on the *Itemized Mileage Form* by selecting any location in the **Starting** or **Destination** column dropdown and "Home" in the other column.
- 6. For mileage to/from your one of your User Defined Locations select **# User Defined Location** in both the **Starting** and **Destination** column on the *Itemized Mileage Form*.

Formula used to calculate your mileage when selecting Home and any of the related locations (may compute a negative distance):

Mileage = (Home to Location) – Normal Commute
