OF OKLAHOMA

Big Brothers Big Sisters of Oklahoma's evidence-based mentoring programs are designed to create positive, measurable outcomes

for youth, including educational success, avoidance of risky behaviors, higher aspirations, greater confidence and better relationships. We match children, ages 6-18, (we call them Littles) with caring adult role models (we call them Bigs). Our Bigs share experiences with our Littles that expand their world in new ways. In a world of causes, we make a difference by creating professionally supported, one-to-one matches for kids who want to realize their full potential.
