♥ beanstack guides

## How does a reader create a new account and link it with their school account?
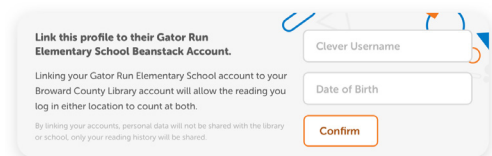

∿∿∿

Guide reader to register on your site.
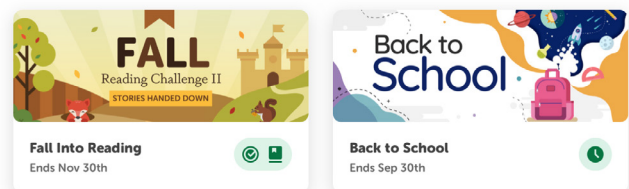

Register an Individual or Family

Note: Accounts must be linked in the reader view. This action cannot be completed within the administrative tools.

Help the reader enter their school login details.

Link this profile to their Gator Run Elementary School Beanstack Account.

Linking your Gator Run Elementary School account to your Broward County Library account will allow the reading you log in either location to count at both.

By linking your accounts, personal data will not be shared with the library or school, only your reading history will be shared.

Clever Username

Date of Birth

Confirm

Make sure the reader registers for active challenges at school and at the library.

FALL Reading Challenge II
STORIES HANDED DOWN

Fall Into Reading
Ends Nov 30th
