

For Your Safety Masks are Required

All Metro Library locations are currently open for select services, including limited computer use, copy/fax/scan use and minimal browsing. **Masks are required.**

Computers are available on a first come, first served basis, and customers are limited to one one-hour session per day. Customers must return materials to our outdoor book returns.

If you're not feeling well, have a fever, or if you've recently tested positive for COVID-19, visit our website for a virtual library experience.
