Barbara Beasley passed along some information from Kellie Delaney (Planning) concerning the CONNECT forum. Kellie wanted all librarians to know that there is a forum set up based on librarians' request on the new Intranet. Click on Committee Forum link under CONNECT Librarian Forum. This remains confidential to those with CONNECT access. Also, Kellie is putting together a Librarian Resources page that will list links to popular search engines, Read A-likes staff have created, links to helpful websites, etc. Please email Kellie any suggestions for inclusion and she will make a portal to whatever you need.

Adjournment.
