

Learning Path Introduction Transcript

Intro Music - MetroU Logo

Music continues with Library image

Scene 1 – Instructor - Easel

“EduBrite now has learning paths. They are located in the Course catalog. You can now search for them and identify them by the special Learning Path icon.”

Scene 2 – Computer Lab - Instructor

“A learning path is a selection of courses tied together for learners to progress through mastering a particular subject or program. It allows you to enroll in one learning path with multiple courses saving you valuable time from having to search and look for particular courses.”

Scene 3 – Compute Lab – Instructor

“Let’s learn a little bit more about learning paths.”

Scene 4 – Projector Room – Instructor

“There are 31 plus learning paths in EduBrite. Supervisor approval is required before enrolling in any of them. You can search by learning path or by the path name. Topics include:

Scene 5 - Projector Room Continued – Instructor

“Teamwork, leadership, communication and many more.”

Scene 6 – Office Setting – Instructor

“All MLS Staff will be required to take one learning path related to the Libraries new core values. Your supervisor will help you select the appropriate Core Value learning path. Once a path is agreed upon, each employee will be responsible for enrolling in that learning path in EduBrite. The learning path must be completed in the performance period November 2020 to October 2021.”

Scene 7 - Projector Room – Instructor

“The learning path catalog can be found on the Intranet under Departments under the Learning and Development category.”

Scene 8 – Easel – Instructor

“If you have any questions, you can contact learning and development via email at training@metrolibrary.org.”
