

# Tailored

Let us help you learn your next great skill. What do you want to learn? A new language? A new hobby? How about a skill to help you with your career? We have you covered!

## How Tailored Skills Works

Our staff have created over **70 learning lists** featuring library resources plus community and online resources. If we don't have a list you need, you can submit your request to learn any skill or hobby and we'll send you a personalized learning list within seven days.

Learning plans are available for adults, kids and teens.

## Need a Customized List?

1. Visit [metrolibrary.org/tailoredskills](http://metrolibrary.org/tailoredskills) and submit the personalized learning form to let us know which skill you want to learn.
2. Our staff will select resources to help you learn your desired new skill.
3. We'll email your personalized learning list within seven days.
