PRESENTATION OF SERVICE CERTIFICATES TO LIBRARY STAFF

The Friends of the Metropolitan Library System have underwritten a staff recognition service program recognizing staff who have been employed by the Library System for five years or more. The Friends provide an attractive pin with the library system logo and name for staff who have served five years. After 10 years a ruby is added to the pin; subsequent rubies are added at 10, 15, 20 and 25-year intervals of service culminating with the addition of a diamond to the pin for 30 years of service. The Library System staff are presented with the pins at a special reception hosted by the Friends each year.

To complement that recognition of service in a formal way, the Metropolitan Library Commission of Oklahoma County presents service certificates of appreciation to Library System staff for these same increments of service. The staff to be presented with certificates will be recognized at each monthly meeting at which time the certificates are presented.

V. Mr. Rice presented Document #81 – Discussion, Consideration and Possible Action: Finance Committee meeting March 6, 2007 – Mr. David Greenwell, Chair.

Mrs. Donna Morris reported the Finance Committee met on March 6. In Mr. Greenwell's absence, Mrs. Morris called on Mr. Lloyd Lovely, Deputy Executive Director/Finance & Support to provide the Finance Committee report and recommendations.

Mr. Lovely stated the current purchasing policy specifies after five years the system must change auditors. Proposals were sent out for a new auditor and the system did not receive a good response. The Finance Committee recommended revising the current purchasing policy to eliminate the restriction requiring a change in auditors every five years. Discussion followed.

The Finance Committee also discussed the building appraisals which were recently completed. The committee reviewed the appraised insurance value of all the buildings and compared them to the current insurance policy. Mr. Lovely stated the total value of the current insurance policy is close to the total value in the appraisal. Individually between the libraries there were some very large differences, most notably the Downtown Library. The Choctaw Library building also had a significant discrepancy. The Finance Committee requested Mr. Lovely follow-up with the insurance company and the appraiser for more information concerning the discrepancies and then to report back to the committee.

The motion coming from the Finance Committee is:

- 1. Revise the current Purchasing Policy and add the following paragraph regarding the selection of an audit firm.
 - 17. Contracts with the financial auditors will extend for five years. The auditing firm my be retained for subsequent five-year periods if the firm agrees to rotate its audit partner or audit manager for the contracting period, unless such requirement is waived by the Commission.
- 2. Add the word auditing to section VI. Policies, page 3, paragraph c.
 - c. Professional services contract, such as architectural, engineering, actuarial, training, consulting, **auditing**, performing and etc...

A motion coming from committee requires no second. Discussion followed. Motion passed; 12 - yes, 1 - no (abstain).

METROPOLITAN LIBRARY SYSTEM TRANSFER OF FUNDS

From time to time, the administration has to request transfer of funds between accounts to reconcile budget fluctuations during a fiscal year.

Additional App	propriations	Additional Needed	Account's New Total
Account 206	Rent of Equipment	\$500.00	\$2,150.00
Canceled Appr	opriations	Amount	Account's
		Canceled	New Total
Account 216	Telephone Services	\$500.00	\$276,530.00

This budget transfer will allow the Library to keep postage equipment for which the software was projected to be obsolete at the end of 2006. However, we have now learned that the software is good until the end of 2008.

Commission Action

That the Library Commission approve the transfer of funds as requested above.

REPORT AND RECOMMENDATIONS FROM ADMINISTRATION

Letter of Intent for Café Operator

A qualified vendor has been identified to open a café operation in the available lease space located at the Downtown Library, 300 Park Avenue, Oklahoma City, Oklahoma. The vendor requests to enter into a lease agreement with MLS to perform build-out of the space and begin operation of a café open to the public. The vendor, Culinary Concepts, LLC, has been in business in the Oklahoma City area since 1985 and currently operates the café at the Oklahoma History Center and the largest catering business in Oklahoma City, The Catering Company.

The attached agreement has been reviewed by library staff, attorney William Comstock and the City of Oklahoma City prior to being presented to the Commission.

ADMINISTRATIVE RECOMMENDATION TO COMMISSION:

That the Commission approve the Agreement between the Metropolitan Library System and Culinary Concepts, LLC effective April 19, 2007.

Metropolitan Library System Ronald J. Norick Library

Café Lease Agreement

This AGREEMENT is made and entered into this ____ day of _____, by and between the METROPOLITAN LIBRARY SYSTEM (herein "MLS") and CULINARY CONCEPTS, LLC (herein "Culinary Concepts").

WHEREAS, MLS provides library and related services to the citizens of Oklahoma County pursuant to the provisions of the Metropolitan Library Act, Title 65, O.S. §551, et.seq., at 17 locations across the county, including the Ronald J. Norick Downtown Library (herein "RJN Downtown Library") located at 300 Park Avenue, Oklahoma City. RJN Downtown Library is a library and learning center and offers expanded educational services and facilities to the citizens of Oklahoma County;

WHEREAS, Culinary Concepts DBA The Catering Company offers full service catering and food service statewide. Culinary Concepts currently has offices located at 13700 N. Eastern, Edmond, Oklahoma 73013.

WHEREAS, MLS desires to offer a dining venue at the RJN Downtown Library at 300 Park Avenue, Oklahoma City, Oklahoma. Combining the services offered by Culinary Concepts and MLS will serve to increase the use of the RJN Downtown Library and will further provide greatly enhanced benefits to the citizens of Oklahoma County and the community in general.

NOW THEREFORE, in consideration of the mutual benefits to flow between the parties, the parties mutually agree as follows:

- Culinary Concepts may operate a café open to the public offering such items as
 pastries, sandwiches, soft drinks, coffee, tea and other miscellaneous food
 items ordinarily sold in a coffee shop or small café in the space designated for
 that purpose on the first floor of the RJN Downtown Library.
- Culinary Concepts shall be responsible for providing a trained staff to maintain
 the café operation on a daily basis and agrees to maintain hours of operation
 during regular Library hours. The café, with the advanced written approval of
 MLS may be open additional hours if desired by the operator.
- 3. Culinary Concepts shall, at its expense, provide for approval, a detailed plan drawing of the proposed finished café space.
- Culinary Concepts shall, at its expense, provide all equipment and approved furnishings installed by a certified, licensed and bonded contractor and obtain all necessary inspections as required by the City of Oklahoma City and State of Oklahoma.
- 5. MLS agrees to contribute to the build-out expense of the café space in accordance with Oklahoma State Law and MLS Purchasing Policies. Funds will be used for equipment, fixtures and furnishings that will be permanently attached to the premises and will remain with the premises should Culinary Concepts vacate the facility.

Café Lease Agreement

- MLS will provide, at no charge to Culinary Concepts, necessary utility services to include water service, electrical, natural gas and trash service. Culinary Concepts shall provide adequate trash removal devices to remove trash from the café.
- 7. Culinary Concepts shall be responsible for the proper cleaning of the café space and shall maintain the space and its employees in a clean, sanitary and orderly condition at all times and shall observe all health and sanitation ordinances of the City of Oklahoma and the rules, regulations and standards of the County, State and Federal authorities. Failure by Culinary Concepts to pass City/County Health Department Inspections shall be reason for closure and cancellation of this contract. Additionally, because use of the area will be shared by the café and library customers, Culinary Concepts will be responsible for daily maintenance of the Atrium area of the RJN Downtown Library when the area is used by the café for seating.
- 8. Culinary Concepts shall, at its own expense, provide for any computers, fax machines, copy machines, telephones and all other equipment and supplies required for the operation of the café. Culinary Concepts shall be responsible for the payment of all labor, materials and other costs associated with the installation of telephone service and may use the service provider of choice. Access to the building for installation of telephone service shall be coordinated with MLS.

ERNESTINE CLARK INDUCTED INTO FOLIO HALL OF FAME

I am pleased to announce that at last weeks Oklahoma Library Association annual meeting, our very own Ernestine Clark, Director of Development and Volunteer Services was inducted into the Statewide Friends (FOLIO) Hall of Fame for her many years of service on that board as well as the National Friends of Libraries USA board. Ernestine served in various capacities and officer positions as well as traveling to small towns in Oklahoma about creating Friends of Library groups. The award was kept secret from Ernestine, who thought she was going there to applaud for someone else. Congratulations to Ernestine!

LEADERSHIP MLS

MLS is introducing a new training program entitled "Leadership MLS" in May of 2007. The goal of this program is to prepare and develop current employees for their current and future leadership positions within the organization. This new program is a step in our goal to be moving forward with "succession planning" and developing future leaders for MLS. I have attached the implementation proposal for your information. Kudos to Kellie Bradford, Planning Services Specialist; Stacy G. Schrank, Employee Development Coordinator; and Kay Bauman, Deputy Executive Director, Library Operations, Planning and Marketing for developing this new training program for library staff.

information and understand the work flow and processes of each area. As you might expect; planning and thinking of a new building and new ways to do business is pretty exciting and fun and I think everyone involved is enjoying the process.

We are a partner with Oklahoma City in the interview process for the hiring of an architect for the Ralph Ellison project. The interviews are scheduled for Friday April 27th.

Library staff was pleased to be invited to several meetings with Oklahoma City regarding the 2007 General Obligation Bond Package which is expected to go to the voters on December 11, 2007. In August of 2006, we submitted 6 projects at a cost of about \$12 million to Oklahoma City. In mid March, the City asked us to re-prioritize and reduce the amount we were requesting. We analyzed our critical needs and re-submitted 4 projects at the amount of \$10.4 million. Asked to review one more time, the final submittal to the city requested \$7.9 million for 3 library projects. These projects are continuation of the Capitol Hill Library project; additional dollars for the NW Library and additional parking and replacement of mechanical and electrical equipment at the Belle Isle Library. The Oklahoma City Council will be having a planning session on April 17 to discuss all of the proposed projects and library staff has been invited to attend.

Regarding the Northwest Library, a firm has been hired to provide an appraisal for one of the suggested sites. If the price is right, OKC funds will be available in July for the purchase of the land. With the impact of the land cost known, the Architectural/Engineering selection process will begin.

All parties have agreed to work together to find a solution to the Downtown water leaks. Additionally, sale funds from the old Downtown library in excess of \$400,000 will be made available for OKC library Capital projects. Some of this money will be spent, as requested by MLS, to rework the north and east entry doors.
