AS 600 Library Exhibit and Display Policy

Adopted: 3/98

Purposes of Library Exhibit and Display Policies

The library invites applications from individuals, groups, for-profit, and non-profit organizations in Oklahoma County to use library space for exhibits and displays that are consistent with and further the Metropolitan Library System's mission and policies.

Metropolitan Library System Mission Statement

The Metropolitan Library System promotes the free flow of knowledge and ideas by providing access to materials and services and programs for Oklahoma County's diverse community.

Designated spaces are available in several libraries for displays and exhibits.

The use of library space to exhibit or display works or projects of individual artists, groups or organizations does not constitute an endorsement of same or their beliefs.

The staff is guided in the consideration and selection of exhibits and displays by Attachment 1, Selection Procedures for Library Exhibits/Displays.
